

Journey Through Finding Identity

Strategy Verse

My son, if you receive my words, and treasure my commands within you so that you incline your ear to wisdom and apply your heart to understanding; yes, if you cry out for discernment and lift up your voice for understanding, if you seek her as silver, and search for her as for hidden treasures; then you will understand the fear of the Lord and find the knowledge of God.

Proverbs 2:1-5 NKJV

My Notes

On the way to finding our identity we may find ourselves having these types of feelings:

- We might have a poor self concept.
- We may question our value or worth.
- We may feel like a failure.
- We may feel insecure and lack confidence.
- We may feel inconsistent emotionally or spiritually.
- We could feel as if we are drifting through life ungrounded.

These feelings can *describe* us at certain seasons in life, but they should not be allowed to become beliefs we have about ourselves because *these things do not define us!*
