

# JOURNEY THROUGH THE WORD

## 5 DAYS TO A MORE THANKFUL HEART

### A WORD STUDY

#### DIRECTIONS

- Write the verse on a separate sheet of paper.
- Pray! Ask God to speak to you through His word.
- Read the verse out loud.
- Click the keywords (found in bold print on this printable). You will be taken to an online Interlinear Bible at [www.biblehub.com](http://www.biblehub.com).
- Discover deeper meanings.
- Meditate on the verse and the what you discovered in your word study. \*Be sure to also read the verses and paragraphs surrounding the verse you are studying so that you can understand the verse in its context.
- How did the Lord speak to you today? Rewrite the verse for your personal use using the new definitions you discovered.

#### Word Study Tips

- Always remember to pray before you read the word of God. Ask Him to give you wisdom and understanding.
- Words have meanings and those meanings have implications for how we understand the Bible.
- Words always have a range of meaning in any language. Because of this we need to:
  - Study the words in their context. (Read the verses around the one you are studying.)
  - Make use of good resources where the research has already been done for you. (The links in this printable lead to pages at Bible Hub where you will find those kinds of resources.)
- Biblical word study is a complex thing, but we have so many tools at our fingertips! We should use them and not feel so intimidated. God wants us to understand His word! Understanding specific word meanings will help us tune in to what God is saying to us through His word.

SO SHALL MY WORD BE THAT GOES FORTH FROM MY MOUTH; IT SHALL NOT RETURN TO ME VOID, BUT IT SHALL ACCOMPLISH WHAT I PLEASE, AND IT SHALL PROSPER IN THE THING FOR WHICH I SENT IT.

ISAIAH 55:11, NKJV
